## VIDEO PRODUCTION DIRECTORSHIP ADRIAN COLLEGE

### CERBERUS STUDIOS

Cerberus Studios has been very busy during the last several months! The club, which includes Film Studies, Graphic Design, and Theater majors has swelled to over 25 members! The group made massive strides by completing their first short film “Followed” late in 2025 and has followed up that success by completing their second, “The Milk” over the course of the Spring ‘26 semester. The Milk will be screened at the second “Cerberus Media Showcase,” an event that will take place at the end of every semester to highlight video productions on campus. In addition to completing their second short film, the group has also recently launched their website and Youtube account to increase visibility for their projects. “Followed” completed during the Fall ‘25 semester is now available to be viewed on Youtube - [Youtube.com/@CerberusStudios-l2p](https://www.youtube.com/@CerberusStudios-l2p)

### THE MILK

The Milk is an 17 minute short film written and directed by film studies major, Grace Darling. The film crew shot in March 2026 at multiple sites in Lenawee County, Michigan. The film will premiere at the Cerberus Media Showcase and has been submitted to several regional film festivals in hopes of further public screenings. The film will soon after be available for public viewing on our Youtube channel.

### CERBERUS MEDIA SHOWCASE

The Cerberus Media Showcase was conceptualized by Cerberus Studios as an opportunity to celebrate the hard work completed by members of the club and other film studies students throughout the semester. At each event, Cerberus Studios and Capstone students present their work in Downs Hall for the entire AC community. The next showcase will take place on Tuesday, April 28<sup>th</sup> from 6-8pm in Down Halls. Free and open for all to attend.
